Greetings from the President!

Greetings and welcome to the 57th annual Thoroughbred holiday show. It is with a sense of pride and humility that we recognize and give our heartfelt thanks to you our patrons for your support over these many years. We are also delighted to welcome our new patrons and hope our performance will encourage you to attend our future shows. Not only does your support permit us to continue operating as a chorus, your smiling faces and your applause is our reward for the many hours of practice and hard work required to produce our show.

It is an exciting time for the Thoroughbreds and especially for me as president as we continue to grow. And although we will never abandon that wonderful Barbershop Harmony Sound, we plan to introduce some new and exciting music in the near future for your listening pleasure.

Prospective member are always welcome. If you are a male and even think you can sing, please contact us. You will find it rewarding and fulfilling to be a part of such a talented and great group of men.

In our program this year, we are featuring Broadway show tunes which are we are sure will bring back fond memories for many of you. They are taken from some of the most popular shows ever. Although we are always proud to sing our patriotic songs to honor our country and our military personnel who give so much to defend us, they have a special meaning this year as our country is at war.

We are thrilled to have with us for your enjoyment, "Vocal Spectrum" one of the youngest and most popular quartets in the "Barbershop Harmony Society," the new name of our international organization. They give us all faith in the future of acapella quartet singing.

We finish our show with traditional Christmas music that we trust will warm your hearts and ignite your holiday season, and we encourage you to sing along with us in our closing carol.

We hope you enjoy "*The Songs of Broadway*" and truly wish you and yours a Happy Holiday Season.

Sincerely,

Tom Houchin

MAY YOUR BEST DAYS BE BETTER!!!!!!!

Vocal Spectrum has been singing together for 3 years. The members of the quartet come from various musical backgrounds, from classical vocal training to jammin' in rock-n-roll bands. These 4 young men, who are majoring in different fields of study, attend Lindenwood University in St. Charles, Missouri. V.S was originally formed as a one-time educational quartet to sing for a local high school and has never stopped singing since! V.S. has traveled to Germany, Holland, Sweden, Russia, England and throughout the United States singing for various shows and conventions as well as teaching high school students about barbershop harmony. Vocal Spectrum has had the privilege of singing for the Mayor of St. Charles, the Frank Opinion Radio Show, Channel 5 KSDK's "Window on St. Louis", Russian National Television, as well as singing the National Anthem for the St. Louis Rams, on Monday Night Football. Jim Henry and David Wright assist with coaching and arrangements for the quartet. All members of the quartet sing with the Ambassadors of Harmony (2004 International Chorus Champions). They have enthralled audiences across the country and around the world. In 2004, their unique repertoire and energetic singing style earned them the coveted first-place gold medal at the Barbershop Society's Collegiate International Competition in Louisville, KY. with the highest score recorded at the International Collegiate level. Not but a year later, Vocal Spectrum went on to compete at their first Men's International Contest placing in the top 10 their very first year in Salt Lake City, Utah. x4 ("Times Four")

x4 ("Times Four") quartet: began in February 2003 as a "Singing Valentine" pick-up quartet. Original members Craig McDaniel, Larry Watson, Jeff Harper and Eric Craig decided to keep the quartet together and work towards becoming a competitive quartet. In July 2003, Jeff was called away to Saudi Arabia during the Iraq War, so the guys began singing with another talented bass, Adam Wheeley from Bowling Green, Kentucky. The 2-1/2 hour distance between Louisville and Bowling Green was a real challenge for rehearsals, and the quartet was soon in flux again. In February 2004, Jay Hawkins was invited to sing with the trio and the rest, as they say, is history . . . We are pleased to introduce the men of x4. The current 2nd Place quartet in the Cardinal district.

In Memoriam:

TOM NIEF

1927 - 2005

The legacy of The Thoroughbreds had its beginning in the late '50's when a dedicated group of twenty-five men wanted to do more than just meet once a week to sing and enjoy the fellowship of the Louisville Chapter of the Barbership Harmony Society. Those twenty-five men dared to pursue excellence as they endeavored to become the best they could be. During the next twenty-five years, the chorus established standards of excellence in performance and in competition that became the benchmark of the society and inspired other chapters to emulate the Thoroughbreds.

The Thoroughbreds of today, and members of the Society at large, owe our very existence to those pioneers of vision and courage who laid the foundation and shaped the Society into what it is today - an international organization of some 30,000 men who enjoy singing and sharing in remarkable fellowhip that aspires to transcend race, age, politics and cultural differences.

Through the years, thousands of men have contributed to the Thoroughbred legacy. and a bond of brotherhood united Thoroughbreds separated by time and space. Nowhere is this connection more felt than when one of our own dies. In our preparation for this year's show, we were saddened by the passing of Tom Nief, a great Thoroughbred, who died on November 9 after a courageous battle with cancer. Tom was a member of the Society for 38 years and capably served the chorus as secretary, unofficial chaplain, and in many other capacities. He was passionate about chorus, dedicated to excellence, and he cared about people. Tom was justifiably proud of his 20 "Men of Note", an award given to a member of the chorus in recognition of introducing a new man to the Thoroughbreds.

This weekend, we pay tribute to Tom as we remember his consistent challenge to us, and to all those privileged to know him, to be the best we can be. Somehow, in that challenge lies the story of the Thoroughbreds. We raise our voices in tribute to Tom Nief and the Thoroughbreds past and present. This song is for you.

May the road rise to meet you,
May the wind be always at your back,
May the sun shine to warm upon your face.

May the rain fall soft upon your fields, and until we meet again,
May he hold you in His hand.
May God hold you in the palm of his hand.
